of the Kolar Gold Fields Sanitary Board for approval and on its return, it will be forwarded. The Cantonment has to be sanctioned by Government from State funds as the Sanitary Board will object naturally to incur the cost of water supply for Government buildings. Provision cannot be made for this work in the next year's Budget the estimate in question will be sanctioned as soon as that Budget is passed by Government.

2. The Executive Engineer, Water Supply and Sewerage Division, has been asked to proceed with the collection of the materials for the water supply to Robertsonpet and Coolie Lines and to spend both the probable and amount required for expenditure during the current year. On receipt of information the balance of the grant of Rs 30,000/- already sanctioned in the finance letter quoted above, will be resigned.

Sir,

With reference to correspondence ending with this office No. 3668 of the 30th ultimo, regarding the water supply to Robertsonpet and the Cooly colonies (including Government Buildings on the Field), I have the honor to inform you that the Executive Engineer, Water Supply and Stores Division now reports that the required materials for the water supply to Robertsonpet and the Cooly lines have already been ordered at a cost of Rs. 9,000/- and that a further sum of Rs. 6,000/- will be spent before the close of the official year by ordering the required materials for the water supply to the Government Buildings on the Fields pending approval to the estimates of Rs. 9,324 therefor forwarded to the Central Sanitary Board. This it will be seen that a sum of Rs. 15,000 only out of the grant of Rs. 30,000 sanctioned for the works referred to can be utilized and the Executive Engineer has therefore resigned the balance of (Rs. 15,000) which I request you

President's letter should be similarly supplied with water. The Deputy Commissioner, Kolar District, has also reported that the Inspector General of Police has been addressed to obtain the sanction of Government to the amount of the estimate (Viz Rs. 9,324/- for water supply to the Police Station and Lines) being placed at the disposal of this Department for carrying out the work.

3. In these circumstances the cost of water supply to the Government Buildings cannot be met from Rs. 14,500 sanc--tioned for supplying water to the various Colonies.

4. The materials, if any, collected for laying on water supply to Government Buildings should be utilized either for Robertsonpet Water Supply or for other cooly colonies for which a project should be submitted without delay.
